

Sisters and Brothers,

A tentative agreement was reached hours before an old three year agreement was set to expire by the USW/Goodyear bargaining committee. Over 10,000 Steelworkers will begin the ratification process at seven plants across the U.S.

The USW/BFS bargaining committee had slated meeting schedules throughout the weekend which were suspended due to the late weekend Goodyear agreement. Union and company representatives are currently reviewing the Goodyear agreement and we are in discussions with the company on when to reconvene.

We are still committed to bringing LaVergne Maintenance, Bloomington and Warren County into the Master Agreement.
